Vendors are required to comply with these check-in times.

In the event that the Irvington Halloween Festival Planning Committee refuses a vendor application, the \$15 vendor application fee will remain nonrefundable and will not be returned to the applicant.

8. In the event that a vendor is unable to participate in the Irvington Halloween Festival Street Fair, including if they are infected with COVID-19 or are caring for someone infected with COVID-19, the vendor fee will not be returned.
 - a. In the case that the Street Fair is cancelled, in accordance with local, state, or federal mandates related to the COVID-19 Pandemic, the Irvington Halloween Festival will provide vendors with the following options:
 - i. Apply your booth fee to the 2022 festival. This will guarantee acceptance to the 2022 festival, as well as your 2021 pricing, if there are any increases in booth rental fees.

- ii. Donate your vendor fee as a tax-deductible donation to the Irvington Halloween Festival/Irvington Community Council
 - iii. Receive a refund for the booth rental fee(s). Refunds must be requested, via email, within 48 hours of the cancellation notice. If a vendor fails to request a refund within this timeframe, they will have the option of either applying their booth fee to the 2022 festival or donating it as a tax-deductible donation as described above.
- 9. Vendors may not sublet or give space to another party without prior written permission from the Irvington Halloween Festival Planning Committee. If there is a need to sublet due to COVID-19, please email the Vendor Director as soon as possible and we will attempt to accommodate.

- 11. Only food vendors are approved to serve consumables of any kind at the Irvington Halloween Festival. Food vendors will be required to have a current Marion County Food license. A copy of this license and the vendor's liability insurance policy must be provided to the Irvington Halloween Festival Planning Committee at the time of the final payment for the full booth rental fee (October 1, 2021).
 - a. For further requirement for the license, please refer to the food license rules published by the Marion County Health Department
- 12. Vendors must comply with all fire, health safety, and other applicable laws, which include but are not limited to the following. These rules are merely some of the examples vendors must abide by, and believed to be an accurate depiction of current regulations. However, laws and regulations are subject to change, and it is the sole responsibility of the vendor to ensure that they are following the applicable laws and regulations. Nothing in the below rules are meant to construe any sort of limitation on the legal requirements of vendors to follow appropriate laws and regulations, or to impose about the Irvington Halloween Festival Planning Committee a duty to convey any changes in those laws or regulations.
 - a. Post a "No Smoking" sign in the booth
 - b. Have an appropriate fire extinguisher in the booth. (Most vendors are required to possess a 2A:10B:C fire extinguisher, but if you are cooking a 2A:40B:C fire extinguisher is required)

Given the limited space for vendors, the Irvington Halloween Festival Planning Committee reserves the right to refuse businesses seeking booth space if similar business are also sponsors. Businesses can guarantee placement in the Street Fair by becoming a sponsor.
21. The only way for a vendor to choose their specific booth location is to become a Halloween Festival Sponsor at the \$750 level and above. The first 30 booths on Washington Street will now only be available through the sponsor auction.  - c. There will be no Kid Zone in 2021, due to the inability to plan for bounce houses and other child related activities, due to safety planning with the health department.  - d. Alcohol vendors will be assigned to the Beer/Wine Garden
